Copy 2 of 7

16 December 1955

Contract No. A-101

CONTRACT APPROVAL

25X1A

Pursuant to your request of 7 November 1955, approval is hereby given under Contract No. A-101 to place Purchase Order No. 16603 and Purchase Requisition No. 12196 with the [redacted] [redacted] These documents cover the procurement of 1400 transistors for work on System 2.

25X1A

25X1A

Inasmuch as experimental work conducted by your laboratories indicates that the transistors manufactured by the [redacted] Company are superior in performance with respect to the applications envisioned under Contract No. A-101, you are hereby authorized to procure from the [redacted] Company on the basis that the required level of performance necessitates procurement of the best transistor available.

25X1A

25X1A

It is understood that, exclusive of any sales taxes, the cost of the 1400 transistors is \$12,530. This cost is hereby certified as a proper charge to Contract No. A-101.
